

Dr. Annasaheb G.D. Bendale Mahila Mahavidyalaya, Jalgaon (MS)
IQAR - 2008-09

Part A :

What is the plan of action chalked out by the IQAC in the beginning of the year towards quality enhancement & what is the outcome by the end of the year ?

Internal Quality Assurance Cell of the college met on 16th April, 2008. Resolutions in the form of following suggestions were passed.

1. Feed back from parents / guardians of students with the help of a questionnaire –
Looking to the very poor response of the parents / guardians to our appeal for meetings, it was suggested that questionnaires be prepared and sent to them through their wards. An effective brief appeal be sent along with, explaining the role of the parents into the overall development of their wards & request them to come forward & co-operate with us in this mission.
2. Preparation of time bound mission document. –
Members of the IQAC vehemently requested the Management to prepare a time bound mission document in which Sports, Laboratories and Library find prominent place.
3. Request to authorities for increase in FSI –
Members resolved that there is an urgent need of approaching the authorities by the Management with the request of increasing the F.S.I. of the college & the same be used to increase the space for Laboratories and the Library. Alternate space be explored for sports activities.
4. Philip in Extension Activities –
Members advised that social activities by the students need to be given a Philip. Pressing problems in the adopted area may be identified and possible corrective measures be taken.

5. Process of Re-accreditation to be initiated –

Members suggested that the process of Re-accreditation be initiated 'Letter of Intent' be submitted and working on preparation of RAR I & II be started.

Thus the resolutions underline the action-plan chalked out by the IQAC.

Action initiated on the suggestions made by IQAC is as follows :

1. Suggestion as regards preparation of Questionnaires and sending them to the parents / guardians of students was implemented. Very substantial information by way of suggestions and feedback has been received. This year's feedback is reported as the answer to question 30 in part B of this report.
2. The management is working on the mission document despite constraint of space.
3. Extension activities have been given more attention this year as is visible from the report in response the Question no. 17 in part B of this report.
4. Yes, 'Letter of Intent' was submitted to NAAC, Bangalore on 28/8/2008 & work of preparation of RAR I & II has been initiated.

Part B :

1. Activities reflecting the goals & objectives of the Institution :

The following activities were undertaken in the academic year 2008-2009, which reflect the goals and objectives of the institution as well.

- i. N.S.S students, besides their regular activities and camps, concentrated on environment related activities . The students adopted a village on the eve of “Ganesh Festival” and vehemently explained to the folks the hazards of preparing Ganesh idols using Plaster of Paris and poisonous synthetic dyes and their subsequent emersion in water bodies in the village.The villagers were persuaded to use clay for the purpose. Besides the villagers were educated regarding disposal of “ Nirmalya” produced as a result of the worship on the occasion.
- ii. Another significant activity by the NSS students was to have a rally on the eve of “AIDS day” in village Takarkheda and enact street plays on the way to send across a message. AIDS awareness programme was also held in the college by NSS with the help of authorities from Civil Hospital, Jalgaon.
- iii. NCC students continued to have their regular parades, camps and celebrations. Besides some students showed promising results on other fronts like participation in Thal Sainik Camp,National Integration Camp,Group Selection Training Camp, Inter Group Competition DTE Selection Camps, RD group Selection Camp etc. Our NCC cadets flourished on other fronts too. 08 students passed “B” certificate examination and 07 cadets passed “C” certificate examination.
- iv. Besides, many activities by the Art Circle, Debating Club, Spoken English Course, Computer Literacy & Internet Course all together help the institution in fulfilling our goal.
- v. Questionnaires were got filled up by parents to gather information about their assessment regarding various functions of the college through their interaction

with their wards. Besides gathering of the parents of our students was arranged & a fruitful interaction took place. Analysis of the feedback was done & the information that surfaced was presented before the management.

- vi. 'Certificate course in spoken English' & 'Computer Literacy & Internet Course' were continued to be conducted this year as well. This is open to all desirous students from all faculties.
- vii. Annual Social Gathering & the welcome party continue to be a star attraction & do a lot of good to the student community. Both these events are fully managed by the students without any flaw.
- viii. Feed back about all the aspects concerning the students in the college including their teachers, continues to be taken. This has helped the system to remain healthy & grow.

2. New academic programmes initiated (UG & PG) :

Post Graduate Courses in Economics part II, Computer Science Part II & Commerce Part II have been introduced from this Year.

Under Graduate course in Computer Application (BCA) has also been introduced.

3. Innovations in curricular design and transaction :

38. Any other relevant information the institution wishes to add :

The institution aims at the overall development of the students who belong to the lowest strata of the society. For which the College arranges for periodic assessment of the students and tries to stimulate the academic environment for promotion of quality in teaching, learning and research on the Campus.

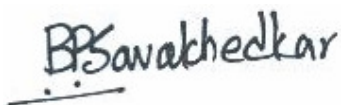

The teachers are encouraged to have self evaluation, accountability, autonomy and innovative approaches in the teaching, learning and research. Similarly, the college promotes excellence and monitors quality education by optimal utilization of the available infrastructure and facilities.

Part C :

Explain the plans of the institution for the next year :

Internal Quality Assurance Cell of the college met on 25th April 2009. resolutions in the form of following suggestions were passed. The members also took notice of the inferences from the feedback obtained from the students with the help of a questionnaire & also the feedback received through two suggestion boxes & feedback from the guardians /parents.

- i) It was suggested that a building on 3000 sq.feet area, adjacent to the college building that is on sale, be acquired. The FSI so gained be used for construction of a building for primary school. This will relieve pressure on the main campus to some extent.
- ii) Management must prepare a master plan of at least coming 10 years.
- iii) Teachers must be encouraged to take up research activities in the form of Minor and Major Research projects.
- iv) Possibility of extension of library be probed. Improvement in the reference section be made.
- v) Re-accreditation process be actively pursued. Report writing and other related activities be taken at a faster pace.
- vi) Working in the library and office need to be fully computerized. Any short comings reported in the software be immediately got rectified by the concerned personnel.
- vii) A committee be framed that would make suggestions and help in their implementation regarding campus beautification.
