AC-401A/B/C/D	Choose one out of Four AC-401A - Human Rights / AC-401B - Current Affairs / AC-401C- Green Audit / AC-401D - Review of Research Paper -	Audit Course	02	100	

A Project
on

❖ Geographical study of Rain water Harvesting system :-
A case study of rain water harvesting in a farm in Karmoli village,
Mulshi Taluka, Pune district..

Submitted to

K.B.C North Maharashtra University
M.A Geography semester III For the course of
AC -301 C Rain water Harvesting .

In

Geography
Under the faculty of science

By

Miss: Kirti Jagjivan Baviskar
M.A Geography II year (III sem)

Exam No : 353675

Under the Guidance of

Prof : Dr.V J. Patil
(Head and Guide)

Department of Geography

Dr. Annasaheb G.D. Bendale mahila madavidhyalaya, Jalgaon.

(Year : 2022-23)

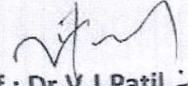

K.B.C North Maharashtra University ,jalgaon

Dr.Annasaheb G.D.Bendale mahila mahavidhyalaya,Jalgaon.

Certificate

This is to certify that miss: **kirti jagjivan baviskar** . Exam No: **353675** M.A II year ,semester III Geography is bonafied student of Department of Geography ,**Dr.Annasaheb .G.G.Bendale mahila mahavidhyalaya,jalgaon**. Has succssfully completed the project work entitled,"Geography study of Rain water harvesting system :A case study of farm in a karmoli vaillage ,mulshi taluka,pune district" For the course.

AC-301 C : Rain water harvesting in the year 2022-23.

Prof : Dr.V.J.Patil

(project supervisor)

Conclusion and suggestions

Conclusion:

- i. rain water harvesting is useful to solve the problem of water the scarcity karmoli village.
- ii. it is useful to increase the level of ground water of the karmoli village.
- iii. the water of the village accumulates in large quantities over the entire surface of the v
- iv. implementing village rain water harvesting projects is the best way to comprehensively tackle the current water scarcity situation.
- v. the value of the cake received is on land in the case of karmoli village 728,000 liters.
- vi. the stored water of god will beautiful to the people of the village and will also be used of their agriculture.
