# GREEN AUDIT REPORT (2022-23)

Dr. Annasaheb G. D. Bendale Mahila  
Mahavidyalaya ,  
Jalgaon-425001, Maharashtra, India

  
Prof. V. J. Patil  
Head  
Dept. of Geography  
23/3/2023

Prepared by  
All M.A Geography IV Sem. Students

### **Acknowledgement**

We are grateful to Principle Dr. Gauri Rane and the Dr. Annasaheb G.D. Bendale Mahila Mahavidyalaya, Jalgaon to assign this prestigious project and allow entering the new area of Green Audit in the Campus.

Further we sincerely extend our thanks to the Principle, Teaching and Non teaching staff for providing us necessary facilities and co-operation in carrying out our responsibility meaningfully.

**Recommendations:**

Established a College Environmental Committee and green crops force for the enactment, enforcement and reviews of the environment.

Ensure that the audit should be done annually and action to be taken as per the recommendations.

**5.0 Other Miscellaneous Practices:-**

- All the work done in the college is almost paperless
- Dust bins are kept at each point of collection.
- On 14<sup>th</sup> August cleanliness drive is organized
- The Independence & Republic day are declared as No vehicle days for the staff of the college
- A workshop is organized every year for making eco-friendly Ganesh Idols.
- Environment monitoring of the campus is done in the form of illumination, ventilation and noise level. It was observed that illumination and ventilation is adequate considering natural light and air velocity present. Noise level in the Campus is within limit that is below 50 db at day time.

**Conclusion:-**

Conclusion the fact the Institution is taking very good initiative to maintain the environment quality in the campus. We expect a prosperous future in the context of Green campus and thus sustainable environment.
