Report **Department of Chemistry**

Name of the Programme: Lecture on Career Guidance

Date of the Programme: 29/04/2023

Venue of the Programme: Class Room No. 44

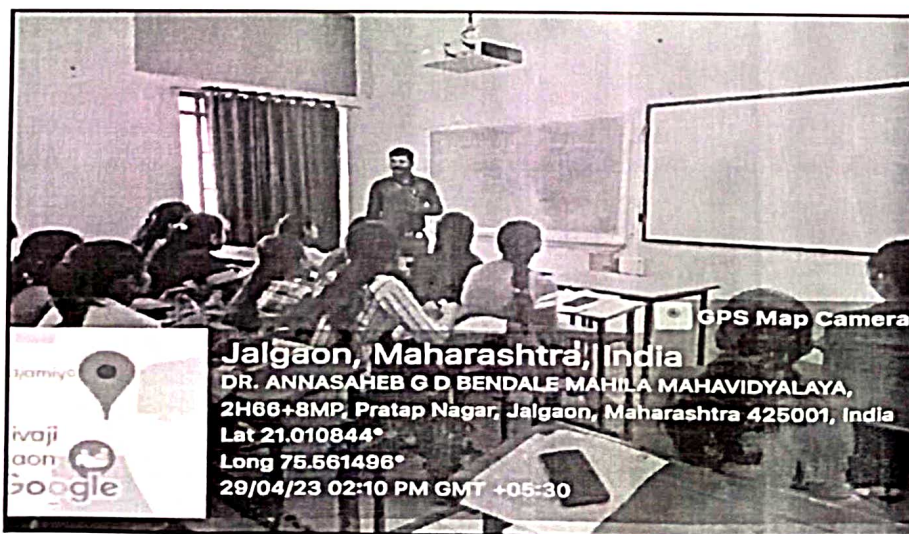

Number of beneficiaries/Participants: 30

Brief Summary of Programme:

A career guidance lecture, a vital component of our department's commitment to holistic education, was expertly delivered by Dr. Ganesh Jethave, one of our esteemed faculty members. The lecture centered on illuminating the diverse range of career opportunities available to students after completing their Bachelor of Science (B.Sc.) and Master of Science (M.Sc.) degrees in Chemistry.

During this insightful session, Dr. Jethave navigated through the various pathways that graduates could pursue, shedding light on both traditional and unconventional career trajectories. He highlighted how a background in chemistry can open doors to fields such as academia, research and development, pharmaceuticals, chemical industries, environmental sciences, and more.

For the delegates who attended this enlightening lecture, several gains were realized: career awareness, informed decisions, clarity, industry insights, goal alignment, motivation, expertise sharing, real-world applications, future planning, and empowerment. Dr. Ganesh Jethave's career guidance lecture not only provided clarity about career prospects but also acted as a catalyst for students future planning and aspirations. The lecture stands as a testament to our department's dedication to nurturing well-rounded individuals equipped with the knowledge and understanding needed to excel in their chosen fields.
