Report: Hands on Training Program

Name of the Programme: **Disaster Management LPG Gas Safety Training Program**

Jointly Organized by: Surya Agency, Jalgaon and Dr. Annasaheb G. D. Bendale Mahila Mahavidyalaya, Jalgaon

Date of Event: 29th March 2023

Time: 11.00 AM to 12.00 noon

Participants: 29

Summary:

Gas leakage is a serious problem and nowadays it is seen in many places like residences, industries and educational institutions. The said training program was organized under disaster management through the college keeping in mind the aim of creating more awareness in this regard. In this program the speaker Mr. Satish Thorat focuses on what are the causes for LPG gas leakage? How the gas leakage detect and control? What we do to protect people from danger? The speaker says the main cause of LPG gas leakage is due to substandard cylinders, old valves, no regular checking of gas cylinders, worn out regulators and a lack of awareness of handling gas cylinders.

In addition to his speech, he introduced and demonstrate the sensor based gas leakage detector and safety device. With the help of this device how can we aware about gas leakage. The device has Auto Detect function which automatically stops Gas leakage. The present staff members knows about a gas leakage detector becomes vital and helps to protect people from the dangers of gas leakage.
