PUBLIC NOTICE

Invitation of comments/suggestions on

Draft University Grants Commission (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2022

The University Grants Commission (UGC) had notified 'The University Grants Commission (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2018' in the Gazette of India on 12th February, 2018 to encourage College autonomy for promoting broad based quality education and excellence. These Regulations provide freedom to the autonomous colleges to determine and prescribe their own courses of study and syllabi, and restructure and redesign the courses to suit local needs, make it skill oriented and in consonance with the job requirements. Further, the autonomous college may prescribe their own admission rules; evolve methods of assessment, conduct of examinations and notification of result; promote research in relevant fields etc.

The higher education in the country is going through major transformation with the advent of National Education Policy (NEP), 2020. UGC has reviewed the existing Regulations to align them with the recommendations of NEP, 2020 with the help of an Expert Committee.

The draft University Grants Commission (Conferment of Autonomous Status Upon Colleges and Measures for Maintenance of Standards in Autonomous Colleges) Regulations, 2022 are attached herewith for comments/ suggestions from all stakeholders. The comments/suggestions may be sent to UGC on policyfeedbackugc@gmail.com up to 25th October, 2022.

Ref. No- F.1-18/2021(CPP-II) Dated on 10/10/2022

Respected Sir,

At the outset we welcome the revised draft for "Conferment of Autonomous status upon colleges and measures for maintenance of standards in Autonomous Colleges".

While going through the revised guidelines, we found that the changes made therein are worth for speeding up the process of conferment of Autonomous status, however we would like to comment on one point which is missing in the draft and we feel, it is important.
Comment:

In the revised guidelines point no.11 of previous guidelines, pertaining to "financial assistance and other related provisions" is missing. This indicates that in the new draft there is no such provision. If the financial provision is removed that would be very unfortunate. Because when we change the status of the college from Affiliated to Autonomous, major reforms are required to be made, right from Admissions to Examination and other academic activities. Funding is needed to bring about these changes effectively along with ICT support.
