YEARLY STATUS REPORT - 2022-2023

Part A

Data of the Institution

1. Name of the Institution

Lewa Educational Union's Dr. Annasaheb G. D. Bendale Mahila Mahavidyalaya, Jalgaon

- Name of the Head of the institution — Prof. Dr. Gauri Milind Rane

- Designation — Principal

- Does the institution function from its own campus? — Yes

- Phone no./Alternate phone no. — 02572236051

- Mobile no — 9850824370

- Registered e-mail — agdbmm@gmail.com

- Alternate e-mail — principal.agdbmm@gmail.com

- Address — Jilha Peth, Jilha Road

- City/Town — Jalgaon

- State/UT — Maharashtra

- Pin Code — 425001

2. Institutional status

- Affiliated /Constituent — Affiliated

- Type of Institution — Women

- Location — Urban

- Financial Status **UGC 2f and 12(B)**

- Name of the Affiliating University **Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon**

- Name of the IQAC Coordinator **Dr. Smita Sanjay Chaudhari**

- Phone No. **02572236051**

- Alternate phone No.

- Mobile **9823231717**

- IQAC e-mail address **agdbmm@gmail.com**

- Alternate Email address **smitaschaudhari@gmail.com**

3.Website address (Web link of the AQAR (Previous Academic Year) https://www.agdbmmjal.ac.in/Document/View?DocPath=%2FData%2FDocuments%2FAQAR%202021-22.pdf

4.Whether Academic Calendar prepared during the year? **Yes**

- if yes, whether it is uploaded in the Institutional website Web link: https://www.agdbmmjal.ac.in/StudentsCorner/AcademicCalender

15.Multidisciplinary / interdisciplinary

The Vision of the Institution is to work for women's social and economic empowerment through education and skill development and to emancipate them from the shackles of age old societal bondages by making them independent and self-esteemed to meet the Glocal challenges. The Mission of the Institution is to aim at an

overall educative experience for women than just academic pursuits.The Vision and the Mission statements of the college are in tune with the National Policy on Higher Education. As per the Vision and Mission statement college is providing skill based career oriented B.Voc. Programs and add-on courses. To offer multidisciplinary and interdisciplinary courses into the curriculum, college is going to opt for autonomy and NEP from the academic year 2024-25. The curriculum of first year PG programs are already designed and started from academic year 2023-24 as per the NEP guidelines.

In order to provide the holistic academic growth among students, choice based curriculum has been offered which gives freedom to the students to choose their preferred subjects from the range of program offered by college

The College is already offering a flexible curriculum for B.Voc. degree program which comes under the faculty of interdisciplinary studies of the affiliating University that enables multiple entry and exits at the end of 1st, 2nd and 3rd years of undergraduate education while maintaining the rigor of learning.

College is motivating faculty members to undertake multidisciplinary / interdisciplinary research projects and as result of it faculty members of the College has received funding for such projects. College is guiding students to take part in Aavishkar, the research festival conducted by Government of Maharashtra to present their multidisciplinary research projects and ideas to find solutions to society's most pressing issues and challenges

The College has started the Research Promotion Scheme for Budding Researchers through which College is motivating students to undertake interdisciplinary research projects and projects addressing societal issues.

16.Academic bank of credits (ABC):

1. As per the instructions received from the affiliating University, College has already appointed Nodal Officer for Academic Bank of Credits.

2. Initiated the process of opening the account of First Year students admitted in year 2022-2023 for Academic Bank of Credits.

3. A training program for the faculties from Arts, commerce and Science stream to conduct the campaign for opening ABC accounts was organized by institute.

4. Institute organized the campaign on 29/11/2022 and 30/11/2022

for registration of first year students on Academic Bank Credit portal.

5. The campaign was extended upto 31st December 2022 as per instructions from university.

6. 511 students ABC accounts were created through this campaign.

7. Remaining students faced problems like Aadhar card is under updating process , Mobile number is changed/closed and Mobile number is not linked with the Aadhar card.

8. These students are informed to report and register immediately after upgradation of their Aadhar card and link their current mobile number with Aadhar card. Also the procedure of opening ABC account was shared with these students in video form.

9. Report of registration detail submitted to affiliated university through email rctkbcnmu1967@gmail.com on 04/01/2023.

10. From the academic year institute modified the admission from and included the ABC account details in the form at the time of admission. To guide students for opening accounts videos were shared.

17.Skill development:

The College has laid foundation of Skill Education by establishment of Aishwarya skill oriented training center in 2010. Afterwards UGC granted financial support to the College to run B.Voc.degree programs.College is running B. Voc. Degree programs in Fashion Design, Beauty Therapy, Photography & Videography, Film Making & Dramatics, Electronic Media, Sports Nutrition & Physiotherapy and Financial Management.All courses in these B.Voc.Degree programs are divided into general skill component and skill components. In the general skill components the subjects related to language proficiency, soft skill development,professional ethics and management, etc. are taught to the students which are helpful for personal and professional growth of the students. All these programs are run according to the National Skills Qualifications Framework (NSQF) guidelines. Through these Skill Programs the college is promoting vocational education and its integration into mainstream education. For effective implementation of these skill programs College has appointed Industry Veterans and Master Crafts persons as teaching staff or visiting staff. Industrial experts provide their

expertise to the students as visiting staff through establishments of MoUs. Other than B.Voc. Programs College is having add-on short-term skill oriented courses for students belonging to traditional graduate programs, few of these courses were taken in ODL mode.College celebrates commemorative days and organizes various activities to inculcate humanistic, ethical, Constitutional, and universal human values, scientific temper, citizenship values, College also organizes programs to develop various life skills in students. College has well equipped School of Skill Development and Centre for Mass Media to run all these B.Voc courses effectively.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In order to integrate regional and national languages in the curriculum, the language course is compulsory to the Students of all the disciplines. To preserve and promote Indian LanguagesCollege offers degree programs in Hindi and Marathi as specialization. To promote the Sanskrit, an articles on the same are published in the college magazine Shardiya. The UG and PG Programs of Commerce faculty are offered bilingually i.e. in Marathi and English.Courses related History, Political Science, Defence and Strategic Studies, Geography, Economics, Psychology, Sociology, Dramatics and Music are taught in Marathi.

College has well established School of Design and Arts which run the courses like clay modelling painting, rangoli etc. which focuses on Indian art and culture. Indian classical music is taught in the subject Music. Students are taught traditional art like embroidery, batik print, warli painting etc. under fashion design courses. To inculcate the traditional values amongst the students college organize events like Dahihandi, Ganesh Festival with Eco - friendly Ganesh Idol making workshop, Navaratri Festival etc. Yoga course is already part of T.Y.B.Sc. andall PG programs. Activities related to Yoga and Meditation are regularly conducted in the College. Training of Indian games like kabaddi, Kho-kho and Hockey is provided by Department of Physical Education.

In the academic year 2022-23 College organized guest lecture on Hindi Tribal Literature and Life, Vishwa Lewa Ganboli, Nutrition and Health guidance, Powada Singing Competition, Gazal and Mushayara Competition, Certificate Course on Yoga etc. Department of Beauty Therapy and Fashion Designing has organized Window display of Indian Costume and Surface Ornamentation. In year 2022-23 College has organized Devgiri Short Film Festival in

this short films and documentaries made in local languages and Sanskrit has been displayed.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

College follows curriculum designed by affiliating University which is Outcome based curriculum. Some of the College teachers are appointed on the Board of studies. College teachers regularly participate in various syllabus framing activities and provides their suggestions and views to frame outcome based curriculum. College has its own add-on courses with well-defined outcome based curriculum. Affiliating University decided to implement NEP 2020 from the next academic year and started preparation of outcome based curriculum as per NEP 2020 structure. Also college will be implementing Autonomy from the   academic year 2024-25 and designed outcome based curriculum as per NEP 2020 structure.

20.Distance education/online education:

The college is going to opt for autonomy from the next academic year 2024-25. In the initial phase, ODL education with Short-term certification courses will be offered. College has already started some certificate courses in ODL mode like CC in Feature Lekhan Kaushal, Spoken English, Marathi Grammer for Competative Examinations etc. The courses such as Big data analysis, GST, Internet-of-Things etc. will be started in the initial phase of NEP and autonomy. To provide online and blended education college has adequate infrastructure like computer laboratories, audio-video recording studio, wi-fi facilities with broad-band internet connectivity. College has its own developed Learning Management System (LMS) integrated with ERP which can be accessed through college website. Online classes and study material will be provided through the college LMS. Along with this, college has Google Suite Educational subscription which will be helpful in providing online distance education. College is also providing access to other online courses offered by SWAYAM-NPTEL, Infosys springboard, etc.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

College follows curriculum given by affiliating University. The curriculum of self funded add-on courses are prepared by our concerned faculty. For effective curriculum delivery College prepare road map for the academic year which includes-

1. **Preparation of Academic Calendar in the beginning of academic year which is communicated to all departments and students and also displayed on College website.**
2. **Time-table preparation by time-table committee. Time-table of certificate courses are prepared by concerned departments.**
3. **Conduction of Bridge Course for first year student.**
4. **Workload distribution by HOD.**
5. **Preparation of teaching plan by teachers and adherence to it.**
6. **Periodic meetings of the HODs and Departmental meetings are called by the Principal and Head of the Departments**

respectively for smooth and effective functioning of academic activities.
 7. Use of ICT for effective teaching learning.
 8. Participative and experimental learning.
 9. Educational tours.
10. Organization of guest lectures.
11. Student's feedback on teaching of teachers is collected which help to improve teaching.
12. Organization of tests for internal evaluation.
13. Record of teaching learning process is maintained.
14. Provision of learning resources through central and departmental library.
15. Principal encourages faculty to participate in professional development programmes for improvement.
16. IQAC monitors teaching learning process by taking review in the meeting.

1.3 - Curriculum Enrichment

1.3.1 - Institution integrates crosscutting issues relevant to Professional Ethics, Gender, Human Values, Environment and Sustainability into the Curriculum

The College follows curriculum of affiliating University which has effectively integrated cross-cutting issues and leads to a strong value based holistic development of students.

Professional Ethics-

Papers like Soft Skills, English for Commerce and Business and B.Voc curriculum evolve professional ethics among students by including various components.

Gender-

Issues like gender discrimination and equality, socio-economic equality, freedoms guaranteed by the Indian Constitution, female education, democracy, communal harmony, religious tolerance etc. are the parts of Humanities curriculum. Commerce & B.Voc. courses are catering to the financial self-reliance of women.

Human Values-

Each piece of literature (text) incorporates basic human values like kindness, humanism, truthfulness etc. Humanity courses highlight the cross cutting issues such as values & ethics while framing the syllabus which uphold the quality measures for overall development of the students NSS, NCC (TYBSc & PG program) enhance the spirit of patriotism among the students and aware them to be a good citizen.

Environment and Sustainability-

The University has already included the subject "Environment Studies" as compulsory subject for first year undergraduate students. Issues related to environment sustainability, disaster management are part of curriculum of many courses.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Institute organized thebridge courses for every under graduate course for newly admitted first year students to identify their learning levels as slow and advanced. After the completion of the course test was conducted.

Programs Organized for Advanced Learners:

1. Research Promotion scheme for Budding Researchersmotivates students to participatein the research activities like research proposal writing,presentations and report writing and project documentation.
2. Participation in Aavishkar, Competitions like Paper, Poster and PPT presentations, Quiz, Composition writing and Programming competitions etc…
3. Institute organized Student Seminars relevant to the subjects.
4. Advanced Learners were motivated to register and complete the Moocs, NPTL and Swayam Courses.

Programs Organized for Slow Learners:

1. Remedial Lectures to enhance their subject knowledge.
2. Problem Solving sessions and revision sessions to deal with their issues.
3. Encouraged to participate in the classroom seminars to enhance their knowledge and presentation skills
4. Advised to access the reference books, textbooks and online study materials.

Throughout the year Institute organized guest lectures from the academic andindustry experts, skill oriented add-on courses and numerous activities including conferences, competitions, workshops and cultural events. Students get opportunities to

work on different Academic committees and participate in the events to enhance their skills and capabilities. Institute formed the clubs such as Commerce club and Botany Club to increase awareness about the subjects and its applications to address the societal issues

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

1. Experiential learning practices : Institute has entered into 16 different MOU's with the various societal organization. Department of skill development initiated an activity of maintaining the portfolio of students for their all-round development along with their engaged activities which helps them for getting employment. Departments organized Industrial Visits, Excursion Tours, Research Lab Visits, Market Surveys and Field Visits. B.VoC. Beauty Therapy and Fashion Design organized a Fashion Show event and Window display. Students from these departments were actively participated by designing costumes and makeup preparation of participating models.

2. Participatory Learning: Students are encouraged to participate in activities where they can use their specialized technical or management skills. Projects activity has been initiated at Undergraduate and Postgraduate level. Institute offering 40 skill based certificate courses in vocational category. Students are motivated to take online training courses of their related subjects.

3. Problem-solving methods: Under the "Research Promotion Scheme for Budding Researcher" faculty from each department along with 2 students conducted small research projects to address problems in related subjects. 16 departments and 91 students conducted 46 Projects. Numerical Skill Test conducted by Dept. of Mathematics to enhance awareness of competitive examinations and to do the daily chore skillfully.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Institute has a robust and well structured mechanism of Continuous Internal Evaluation(CIE) as per the guidelines of affiliating university. Students subject and practical knowledge assessed through the CIE .

Institute formed a Examination Committee. The schedule of the internal examination were communicated by examination committee. Time tables for the internal examination were prepared and shared with students well in advance on notice boards and their respective whats app groups. Internal examination includes Theory and Practical examinations of 40 Marks. Every semester two internals each of 20 marks were conducted for the subject. Teachers asked to prepare the question papers for theory subjects.

One 40 Marks internal examination is conducted for practical

subject. Students are asked to perform the assigned experiment. After evaluation the performance of students were displayed on the notice board. Guidance is provided to poor performing students. Revision sessions conducted for preparation. Re-Internal exams were scheduled for the students who had genuine problems during the internal schedule. After both internals the final evaluation sheet prepared and marks were submitted on the university portal through college login by the respective subject teacher. Final reports were downloaded and printed.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

The entire internal examination procedure is carried out under the guidelines provided by K.B.C. North Maharashtra University, Jalgaon. The college has examination committee. The internal examination is conducted under the guidelines given by the examination committee. The entire procedure for internal assessment is transparent, robust and time bound. Mark list of each internal test has been displayed on the notice board by each teacher, for student's information.

Departmental Level:If any student have the grievance related to assessment or any other issue related to examination, it has been immediately resolved in front of the student by the concern subject teacher and Head of the Department.

Examination Committee Level: If the concern department is not able to solve the grievances related to internal examination of his/her subject teacher and HOD then the grievance is resolved under the guidance of examination committee. All the process to resolve the related grievances is kept transparent.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Teachers and students are aware of the institution's programmes and course outcomes. The curricula are designed by the concerned Boards of Studies of the university. Aims, objectives, and learning outcomes of some courses' are defined by the BOS. Outcomes of remaining courses were defined by the concerned department. Teachers actively participate in syllabus framing and reframing workshops which focused on the enhancement of syllabus with the understanding of course learning outcomes.The subject teacher communicates the programme and course outcomes to the students during the first lectures and student induction program. The programme outcomes are achieved through a curriculum that includes mandatory and elective courses. The learning outcomes may differ from course to course, but in general, they are to impart sound theoretical knowledge of the subject and to apply that knowledge in real-world situations. It fosters the ability to do effective self-work, learn with curiosity, and apply science skills. Students acquire professional skills and their application outside of formal education by developing technical and practical knowledge. At the college level, desired learning outcomes are instilled in students through effective teaching and learning using modern technologies and curriculum activities. Students gain basic knowledge and skills through practical knowledge and fieldwork. The outcomes are displayed on notice boards. File records are maintained in the departments and the Library, and it is also uploaded on the Institutional Website.There are well defined COs for all add-on courses.

INFRASTRUCTURE AND LEARNING RESOURCES

4.1 - Physical Facilities

4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.

The College is located on the 2.5-acre campus at the centre of the city with state-of-the-art facilities and it has been constantly upgraded for the smooth running of all the programs run by the college. The college has well maintained clean campus and continually striving to improve and upgrade its Physical infrastructure. The College puts a lot of effort into enhancement of ICT infrastructure in order to facilitate effective online teaching and learning environment. There are 50 Classrooms/Seminar Halls for smooth conduction of academic activities. Out of which, 32 Classrooms/Seminar Halls have ICT facilities. The college has 328 computers/laptops, 3 Servers, 43 printers, 8 scanners, 34 LCD projectors and 7 Wi-Fi points with high speed internet connections installed at various places in the campus. All the Laboratories are well-furnished and equipped with updated instruments available for the science and skill courses. Separate Laboratories are available for Language, Psychology and Music. Laboratories with modern facilities are also available in the Fashion Design and Beauty Therapy. Each Department has departmental library and ICT facilities such as Computers with internet connections, Printers, Scanner, LCD Projectors and Interactive Board. The Common Research and Instrumentation Centre has been established to conduct Research Projects and Sample Analysis. Two power generators are available

and some of the laboratories have UPS backup facility. 28KVA On-Grid Solar Power Plant is installed. The college has Library with two reading rooms, enriched with 42658 books, 96 journals/magazines along with free e-books and INFLIBNET facility. Soundproof Audio-video recording studios are equipped with recording equipment for e-content production.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The College possesses spacious, air-conditioned, well-furnished Conference Hall spanning an area of 891sq.ft. This Hall is equipped with modern audio-visual aids, an LCD Projector, Computer and all necessary accessories. Within Hall, Special/Guest Lectures, Seminars, Conferences along with a variety of competitions such as elocution, singing, poetry reading, and one-act plays etc. takes place. Additionally, College has "Saraswati" Multipurpose Hall, which covers an area of 4000sq.ft. This versatile space is utilized for various events including Handycraft and Science Exhibition, Public Lectures of distinguished personalities, Freshers' Day Celebrations, Dance Competitions, Rangoli and Mehendi Competitions. Centre Space inside the Administration building is available for Celebrations of CommemorativeEvents. Music and Drama Departments have collection of musical instruments to facilitate cultural activities.

The College possesses adequate sports infrastructure, including gymnasiums with area 2800sq.ft. The department has DPE's office covering an area of 196sq.ft., Table Tennis (308sq.ft.) Chess and Carom Hall (300sq.ft), Basketball Court (420sq.ft.) and a volleyball ground. Gymnasium is accessible to Students free of cost and open to others on a payment basis. Furthermore, campus features playground that is utilized for practicing outdoor games. Moreover, activities such as Judo, Wrestling, Taekwondo, Fencing and indoor games are organized in the "Saraswati" Hall. Additionally, college utilizes Chattrapati Shivaji Maharaj Krida Sankul, which offers 400mt. running track, field ground for Hockey, Football, Baseball, Softball and Cricket available on

payment basis. College has Integrated Fitness Centre dedicated to Yoga and Zumba activities.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

ILMS software: LIB-MAN (Master Software, Nagpur), Since May 2023 the college has transfer the ILMS platform from LIB-MAN to SOUL 3.0. Nature of automation (fully or partially): Partially Version: Cloud-based ERP V.1.0 up to May 2023 and from May 2023 SOUL 3.0 Year of Automation: 2011 College possesses a well-stocked Central Knowledge Resource Centre (Library), housing a vast collection of 42,658 books and 96 journals/magazines. Spanning across an area of 499.75Sq.Mt., library comprises various sections including the Librarian's Office, Library Counter, Passage, Stacking Room, and two Reading Rooms for UG and (PG) students. For convenience of the staff, separate reading spaces with tables are available near the cupboards for each subject. Furthermore, library has a dedicated section for periodicals. To ensure smooth functioning of the library according to Policy, Library Advisory Committee has been established. E-Books and e-journals facility is provided with the help of NLIST programme. Previous exam question papers are made available on student's smart phones using QR Codes. UGC Network Centre (DLRAC) of the college where students and staff can access digitized versions of library resources. Staff members and PG students enjoy unrestricted access to the library, further enriching their academic pursuits.

4.3 - IT Infrastructure

4.3.1 - Institution frequently updates its IT facilities including Wi-Fi

The College consistently incorporates new advanced ICT equipments, software tools, and updates its ICT resources. To guarantee efficient execution of Teaching & Learning activities and streamline administrative work, state-of-the-art computers equipped with the latest configurations and software have been regularly added. In the current academic year, 10 Intel i5 computer systems and server have been newly added, accompanied by required software. Two Cyberom firewall system empowers the seamless High Speed Internet connection of up to 100 individuals simultaneously via Wi-Fi access points. The College has been regularly updates ICT resources for online Teaching-Learning. College is using the ZOOM, Google Meet platforms for routine online meetings. Every department and Offices namely Principal, Vice-Principal, Administrative & Account office have laptops, computers & accessories. Internet via Wi-Fi connectivity is made

available to the staff and students to access e-resources. Access to e-books & e-journals is provided to the students and staff by the college library through membership to INFLIBNET-NLIST. Students and staff members can watch MHRD, UGC, IGNOU, NPTEL and on-line lectures of IITPAL, NIOS, QEEE etc. channels under SwayamPrabha through FreeDTH installed in the e-Learning room. The college frequently organizes FDPs for the staff, focusing on enhancing their skills in ICT tools.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College has established system and procedure for effective utilization and maintenance of physical, academic and support facilities. The Authorities discuss proposed budgetary provisions for infrastructure maintenance and approve funds accordingly. The academic facilities are optimally utilized for regular classes and practicals. The responsibility for utilizing the available academic facilities appropriately rests with the time table committee. Computers and other ICT infrastructure in the college office and library are used for smooth administration, record keeping, and for transfer of knowledge. Library facility is maintained by Library Attendants under the guidance of Librarian. The Cultural Halls have been utilized to organize various cultural activities, competitions, workshops, conferences and maintained by college administration. The sport facilities encompass a playground, indoor game equipments and a gymnasium, which are utilized for regular practice sessions and the organization of sports competitions maintained by Director Sports along with attendant. The Hostel and Canteen provides accommodation, mess and breakfast facilities respectively. The college administration and Lewa Educational Union (LEU) is responsible for utilization and maintenance of these facilities. The college administration is responsible for maintenance of academic and physical facilities with the help of Staff and Lab Attendants. A Technician is appointed by Institution for the maintenance of computer software/hardware problems and ICT infrastructure. Electric fittings, Power generators and Solar Panels are regularly checked and maintenance service is hired as per requirement. The services like campus/tank/washroom cleaning, maintenance of water filters, photocopy facilities, fire extinguisher etc. are outsourced.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

- The vision of the institution is to work for women's social and economic empowerment through education and skill development and to emancipate them from the shackles of age - old societal bondages by making them independent and self esteemed to meet the Glocal challenges.
- The Mission of the institution is to aim at an overall

educative experience for women than just academic pursuits.

The vision and mission statements of the college are in tune with the National Policy on Higher Education. The college is governed by Lewa Educational Union Jalgaon. The leadership (Top management and Principal) in collaboration with College Development Committee and IQAC make sure that the policy statement and the action plans are aligned with the stated mission of the institution. The leadership is also involved in communicating and reviewing the policies/action plans from time to time through meetings with various stakeholders periodically. The faculty meetings are held regularly. The administration follows a democratic and open door policy of leadership. Any stake holder grievances and constructive suggestions are positively considered. A periodic need-based analysis is carried out with the help of key administrative and academic authorities. To achieve goals in vision and mission college provides multiple facilities and conducts various activities.

File Description	Documents

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

Case study: Library Advisory Committee 2022-23

The institution always encourages decentralization and participative management. Various committees have been formed under the leadership of Principal for effective functioning of the Institution. Meetings of the committee are held from time to time for planning and execution of work. Responsibilities are assigned to the members of the committee. One example to quote is the Library Advisory Committee. This committee advices on matters concerned with the Library service including funds, books, staff etc., allocation of funds for various subjects, writing off the unserviceable books or loss of books. The committee comprise of the following members:

Chairperson: - Senior Faculty Member

Secretary: - Librarian (Secretary)

Members:

1.Senior College Faculty Members

2.Junior College Faculty Members.

Principal and Vice-Principals are invited for the meetings. The entire College Library System is governed by the policies designed by the Library Advisory Committee. The Committee's main objective is to bridge between the Library, academic fraternity and the management. Activities of this committee results in improvement of library services. Library Advisory Committee acts as a channel of communication between the College Library and its users.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

One of our Strategic/Perspective plan for 2022-23 is - To enrich research infrastructure.

Deployment of Strategic/Perspective plan-

- **Research and Development Committee is formed to motivate teachers and students towards research. It inculcates research skills and develop interest and awareness about research among students and faculty. It helps in creating vibrant research environment within the campus.**
- **Research Promotion Scheme for Budding researchers with the aim to increase the participation of students in the research.**
- **Received grants for research from various agencies-**

1. **Grant of Rs.60,39,360/-under DST-CURIE duration 36 months.**
2. **Grant of Rs.9,50,000/- under RGSTC, for 3 projects, duration 24 months for each project.**
3. **Grant of Rs.17,22,500/- under VCRMS, for 15projects,**

duration 24 months for each project.

4. Additionally, college has introduced Research Promotion Scheme for Budding Researchers and spent Rs.10854/- under this scheme.

Research Infrastructure-

- The College has purchased 10 Research Instruments of Rs.34 Lakh under DST CURIE project. These Research Instruments have been installed in the Common Research & Instrumentation Centre.
- Under RGSTC project scheme, college has purchased 5 research instruments of total cost Rs.2.45 Lakhs
- Under KBCNMU VCRMS scheme, college has purchased 7 research instruments of Rs.3.60 Lakhs.
- Total research paper published in 2022-23 are 28.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Description of Organogram:

The Executive Council of Leva Educational Union functions as the chief governing body for the Institution. CDC and IQAC are mainly responsible for overall academic, administrative and infrastructural development of the institution and work under the Executive Council. The Principal is responsible for the overall administration of the Institution and looks after day-to-day management of the Institution. The Principal reports directly to the Executive Council. The Vice-Principal(s) assist the Principal in academic as well as administrative matters and are in-charge of the Institution in the absence of the Principal. In office administration, the Registrar functions as the head of the non-teaching staff. Registrar is assisted by the Office Superintendent (OS) and the clerical staff. The OS and clerical staff are assisted by the office attendant and support staff. HODs are assisted by the faculty members, the non-

teaching and support staff of the respective departments. For interdisciplinary and autonomous courses, Coordinator(s) are assisted by the faculty members, non-teaching and support staff. Librarian functions as the head of the Library. Assistant Librarian, clerical staff, attendants and support staff.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The mechanisms for performance assessment of individual faculty are-

- **PBAS (Performance Based Appraisal System) introduced by UGC.**
- **Self-Appraisal Reports**
- **CR (Confidential Reports) Feedback from students.**
- **PBAS is mandatory to all permanent teaching faculties. The PBAS forms for CAS (Career Advancement Scheme) of each individual teacher are verified by the IQAC of the college and endorsed by the principal. The PBAS record of the teacher is considered for promotion under CAS. Likewise, Self Appraisal Reports by faculty are also mandatory. Self Appraisal and CR forms filled up and Submitted by the faculty are reviewed and endorsed by the concerned H.O.D and the Principal. The documents is considered at the time of placement of faculty in higher pay scale.**
- **Confidential report on performance highlighting the skills, credentials and over all behavior of the non-teaching employee prepared by the head of the Dept. and submitted to the Principal annually. Performance of the faculty is also assessed through students' feedback. Every year feedback on teachers' performance is obtained from students with the help of a questionnaire.**
- **Evaluation of the performance of non- teaching staff is done by the Registrar, Head of the concerned Dept. and the Principal on the basis of daily work sheets and CR.**

INSTITUTIONAL VALUES AND BEST PRACTICES

7.1 - Institutional Values and Social Responsibilities

7.1.1 - Measures initiated by the Institution for the promotion of gender equity during the year

The college organized several programmes on gender sensitivity. The Department of Marathi organized Storytelling programme on 23/03/23. Mr. Gopichand Dhanagar narrated story 'Radhi' a story of socially oppressed girl named Radhi written by story writer G. A. Kulkarni. The Economics Department conducted a lecture on 'Women's Empowerment and Economic Independence' on 20/03/2023. The Science Association organized a programme on 'Opportunities of Women's Empowerment through Research' on 08/02/2023. And the college organized a lecture on 'Women Entrepreneurship Development' to motivate the students for financial sufficiency. The Psychology department organized two programmes- a lecture on 'Mental Health of the College Girls' on 10/10/2022 and 'Women's Physical Health and Psychology of Indian Society' organized on 28/03/2023. The college celebrated World Women's Day on 08/03/2023. The college felicitated Women Pink Rickshaw Drivers by giving them aprons on 16/01/2023. Two students participated in the workshop on gender discrimination at K. B. C. N. M. U., Jalgaon dated 03 & 04 March, 2023. The college organized Aatmnirbhar Yuwati Abhiyan during 13 to 20 February, 2023 for the overall development of students. Department of Film Making and Dramatics made a short film, 'Ranaragini' on Lilatai Patil, and the drama 'Ratan' the women Indian Freedom fighter. Workshop on 'Start Your Life, with Confidence' was organized by Department of Physical Education and sport in collaboration with Rotary Club, Jalgaon on 14/10/2022.

7.1.3 - Describe the facilities in the Institution for the management of the following types of degradable and non-degradable waste (within 200 words) Solid waste management Liquid waste management Biomedical waste management E-waste management Waste recycling system Hazardous chemicals and radioactive waste management

Liquid Waste Management: The major sources of liquid waste in our college are wash basins, toilets and science laboratories. The chemical liquid waste is generated from only chemistry department laboratories in our college. The chemical liquid waste are diluted with water and then discharged into public water drain. Liquid waste from other sources except chemical liquid are discharged directly into public water drain.

E – Waste Management: The damaged and out-dated computers, electronic and electrical equipments are sorted out and returned as exchange against new purchase. However the accessories like keyboards and mouse are the e-waste from the college, which is duly disposed off.

Solid Waste Management: The major sources of solid waste in college are rubbish such as paper pieces from classrooms, office

and college ground, tin cans and other miscellaneous waste like food and degradable kitchen waste from canteen. Kitchen waste from canteen is processed and converted into manure. The manure is provided to the college campus trees as a nutrients.

Other solid waste from college except canteen, are collected through dustbins which are located at various places in college. There are separate dustbins for dry and wet waste. Then Municipal corporation vehicles collect garbage from the college daily.
