15. Multidisciplinary / interdisciplinary

The Vision of the Institution is to work for women's social and economic empowerment through education and skill development and to emancipate them from the shackles of age old societal bondages by making them independent and self-esteemed to meet the Glocal challenges. The Mission of the Institution is to aim at an overall educative experience for women than just academic pursuits. The Vision and the Mission statements of the college are in tune with the National Policy on Higher Education. As per the Vision and Mission statement college is providing skill based career oriented B.Voc. Programs and add-on courses. To offer multidisciplinary and interdisciplinary courses into the curriculum, college is going to opt for autonomy and NEP from the academic year 2024-25. The curriculum of first year PG programs are already designed and started from academic year 2023-24 as per the NEP guidelines. As College is going to opt for autonomy and NEP from 2024-25, College has designed its own curriculum which has integration of humanities, commerce and science through OE/GE courses. In order to provide the holistic academic growth among students, choice based curriculum has been offered which gives freedom to the students to choose their preferred subjects from the range of program offered by college. The College is already offering a flexible curriculum for B.Voc. degree program which comes under the faculty of interdisciplinary studies of the affiliating University that enables multiple entry and exits at the end of 1st, 2nd and 3rd years of undergraduate education while maintaining the rigor of learning. College is motivating faculty members to undertake multidisciplinary / interdisciplinary research projects and as result of it faculty members of the College has received funding for such projects. College is guiding students to take part in Aavishkar, the research festival conducted by Government of Maharashtra to present their multidisciplinary research projects and ideas to find solutions to society's most pressing issues and challenges. The College is running the Research Promotion Scheme for Budding Researchers through which College is motivating students to undertake interdisciplinary research projects and projects addressing societal issues.

16. Academic bank of credits (ABC):

Dr. Annasaheb G. D. Bendale Mahila Mahavidyalaya, Jalgaon is an

institute academically affiliated to K.B.C., North Maharashtra University, Jalgaon and has the credit-based system. 1. The process of opening the Academic Bank of Credits account for First Year students in year 2023-2024 initiated at the time of admission. 2. From the academic year 2023-24 institute modified the admission form and included the ABC account details in the form. Videos and guidelines to create ABC account were shared with students. The information to create account is also made available on the institute website. 3. The students who face problems creating an ABC ID were instructed to create their ABC ID after the issue was resolved. 4. Institute is going to opt for an autonomy from year 2024-2025. Institute is registered and approved on NAD portal by communicating to NAD support Team, Government of India. 5. Students are instructed to select the institute name while creating ABC ID for the academic year 2024-2025 6. Faculties are actively involved in curriculum design. Faculties motivated to attend Faculty Development Programs, workshops and training programs on syllabus framing, advance pedagogical approaches and Advance topics as per current industrial demand. Faculties are also encouraged to write textbooks based on the curriculum.

17.Skill development:

The College has laid foundation of Skill Education by establishment of Aishwarya skill-oriented training center in 2010. Afterwards UGC granted financial support to the College to run B.Voc. degree programs in Beauty Therapy and Fashion Designing. These courses have a curriculum- 80% Skills and 20% theoretical approach. Along with this these courses subjects like- language proficiency, soft skill development, professional ethics and management, etc. are taught to the students which are helpful for personal and professional growth of the students. All these programs are run according to the National Skills Qualifications Framework (NSQF) guidelines. College has provided the state-of- art infrastructural facilities to run this courses. Through these Skill Programs the college is promoting vocational education and its integration into mainstream education. For effective implementation of these skill programs College has appointed Industry Veterans and Master Crafts persons as teaching staff or visiting staff. Industrial experts provide their expertise to the students as visiting staff through establishments of MoUs. School of Skill Development plays important role in nurturing and developing skilled manpower. Other than B.Voc. Programs College is having add-on short-term skill oriented courses for students belonging to traditional graduate programs. UGC has introduced NEP-2020 all over the Nation. Skill Enhancement Courses are introduced in the curriculum. College celebrates commemorative days

and organizes various activities to inculcate humanistic, ethical, Constitutional, and universal human values, scientific temper, citizenship values, College also organizes programs to develop various life skills in students. In today's dynamic global economy, there is a growing demand for skilled professionals. Students gain knowledge and skills to navigate the business world.

18.Appropriate integration of Indian Knowledge system (teaching in Indian Language, culture, using online course)

In order to integrate regional and national languages in the curriculum, the language course is compulsory to the Students of all the disciplines. To preserve and promote Indian Languages, College offers degree programs in Hindi and Marathi as specialization. To promote the Sanskrit and Urdu, articles on the same are published in the college magazine Shardiya. The UG and PG Programs of Commerce faculty are offered bilingually i.e. in Marathi and English. Courses related History, Political Science, Defense and Strategic Studies, Geography, Economics, Psychology, Sociology, Dramatics and Music are taught in Marathi. Department of History has conducted Modi Lipi Parichay Varga to preserve Modi script. Indian classical music is taught in the Department of Music. Students are taught traditional art like embroidery, batik print, warli painting etc. under fashion design courses. To inculcate the traditional values amongst the students, college organizes events like Dahihandi, Ganesha Festival with Eco-friendly Ganesha Idol making workshop, Garaba dance in Navaratri Festival, Hartalika Pujan etc. Yoga course is already a part of T.Y.B.Sc. and all PG programs in the College. Training of Indian games like Kabaddi, Kho-kho and Hockey is provided by Department of Physical Education. In the academic year 2023-24 College organized guest lecture on Vishwa Lewa Ganboli and celebrated Yoga Day regularly. Department of Physical Education has conducted Certificate Course in Yoga and organized workshop on Yoga. Department of Botany organized Botanical Rangoli Competition & Recipe Competition on Millets and Wild Vegetables. Two faculty members in college took IKS training in UGC- Sponsored 'Short Term Training Program on Indian Knowledge Systems' organized by UGC-HRDC, Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur & Indian Knowledge Systems Division, Ministry of Education, Government of India, New Delhi. The College has prepared syllabus of Indian Knowledge Systems for First Year Students of B. A., B. Sc., and B. Com. Programs for the academic year 2024-25. Lectures related to Ancient Traditional Knowledge and Indian Culture were organized in the College e.g Guest lecture on the topic "Ayurveda - Traditional Indian System of Healthcare" by Department of Botany and "Indian Culture and Tradition" by Department of English.

19.Focus on Outcome based education (OBE):Focus on Outcome based education (OBE):

College follows curriculum designed by affiliating university which is Outcome based curriculum. Some of the college teachers are nominated on the Board of studies. College teachers regularly participate in various syllabus framing activities and provides their suggestions and views to frame outcome-based curriculum. College has its own add-on courses with well-defined outcome-based curriculum. Affiliating university started to implement NEP 2020 from the academic year 2023-2024 step by step and prepared outcome-based curriculum as per NEP 2020 structure. Also, college is going to opt for an Autonomy from the academic year 2024-2025. College established its own Academic council and Board of Studies for various subjects. Meetings of Board of Studies and Academic council were conducted to design and approve outcome-based curriculum as per NEP 2020 structure

20.Distance education/online education:

The college is going to opt for autonomy from the next academic year 2024-25. In the initial phase, ODL education with short-term certification courses will be offered. College has already started some certificate courses in ODL mode like Certificate Course in Feature Lekhan Kaushal, Spoken English, Marathi Grammer for Competitive Examinations etc. The courses such as Big Data Analytics, GST, Internet-of-Things etc. will be started in the initial phase of autonomy. To provide online and blended education college has adequate infrastructure like computer laboratories, audio and video recording studio, wi-fi facilities with broad-band internet connectivity. College has its own developed Learning Management System (LMS) integrated with ERP which can be accessed through college website. Online classes and study material will be provided through the college LMS. Along with this, college has Google Suite Educational subscription which will be helpful in providing online distance education. College is also providing access to other online courses offered by SWAYAM-NPTEL, Infosys springboard, etc.

CURRICULAR ASPECTS

1.1 - Curricular Planning and Implementation

1.1.1 - The Institution ensures effective curriculum delivery through a well planned and documented process

College follows curriculum given by affiliating University. The curriculum of self funded add-on courses are prepared by our concerned faculty. For effective curriculum delivery College prepares road map for the academic year which includes-

1. Preparation of Academic Calendar in the beginning of academic year which is communicated to all departments and students and also displayed on College website.
2. Time-table preparation by time-table committee. Time-tables of certificate courses are prepared by concerned departments.
3. Conduction of Bridge Course for first year students.
4. Workload distribution by HOD.
5. Preparation of teaching plan by teachers and adhere to it.
6. Periodic meetings of the HODs and Departmental meetings are called by the Principal and Head of the Departments respectively for smooth and effective functioning of

academic activities.

7. Use of ICT for effective teaching learning.
8. Participative and experimental learning.
9. Educational tours.
10. Organization of guest lectures.
11. Student's feedback on teaching of teachers is collected which help to improve teaching.
12. Organization of tests for internal evaluation.
13. Record of teaching learning process is maintained.
14. Provision of learning resources through central and departmental library.
15. Principal encourages faculty to participate in professional development programmes for improvement.
16. IQAC monitors teaching learning process by taking review in the meeting.

1.1.2 - The institution adheres to the academic calendar including for the conduct of Continuous Internal Evaluation (CIE)

Being affiliated to KBCNMU, College follows academic calendar given by the University. College prepares its own academic calendar in tune with that of affiliating university. It is important document which portrays the starts and end dates of semesters, tentative dates of internal and external semester examinations, co-curricular and extracurricular activities. The academic calendar is displayed on website of the college and also sent to students through their WhatsApp group and notice boards. College follows the evaluation structure given by affiliating university. At present there is semester pattern for examination. Weightage for external evaluation is 60% and internal evaluation is 40%. College constituted examination Committee which prepares time table for College internal examinations of theory and practical as per guidelines of affiliating University. College administration and examination Committee always take utmost effort to adhere strictly to academic calendar. In addition to internal examination college conduct student's seminar, group discussion etc. Students are encouraged to participate in quizzes. Department also conduct and evaluate Bridge Course test to identify learning levels of the students as per academic calendar. IQAC monitors

examinations and evaluation process by taking review in the meeting.

2.2 - Catering to Student Diversity

2.2.1 - The institution assesses the learning levels of the students and organizes special Programmes for advanced learners and slow learners

Assess learning levels of learner and organizing creative and remedial programs for advanced and slow learner is the continuous practice of institute. Bridge courses were organized for every subject in first-year undergraduate. Learning Level of learner was tested by conducting bridge course test.

Programs Organized for Advanced Learners:

1. Research Promotion scheme for Budding Researcher motivates students to participate in the research activities like research proposal writing, presentations and report writing and project documentation.
2. Organizations of competitions like KNOWATECH (Poster, IT Quiz, Programming competitions), Quiz, Poetry recitation and Numerical Skill Test etc.
3. Motivation for participation in various activities like Aavishkar, Paper Presentation, Poster Presentation.
4. Student's Seminars relevant to the subjects.
5. Advanced Learners were motivated to participate in Moocs, NPTEL and Swayam Courses

Programs Organized for Slow Learners:

1. Remedial Lectures to enhance subject knowledge.
2. Problem Solving and revision sessions to deal with their issues.
3. Encouraged to participate in the classroom seminars to enhance their knowledge and presentation skills
4. Advised to access the reference books, textbooks and online study materials.

Institute organized guest lectures from the academic and industry experts, skill-oriented add-on courses and numerous activities

including conferences, competitions, workshops and cultural events. Students get opportunities to work on different committees and participate in the events to enhance their skills and capabilities. Problems faced by learners were discussed through the mentoring process. Institute formed the clubs such as Botany Club to increase awareness about the subjects and its applications to address the societal issues

2.3 - Teaching- Learning Process

2.3.1 - Student centric methods, such as experiential learning, participative learning and problem solving methodologies are used for enhancing learning experiences

Student centric approaches were considered while designing curriculum and implemented.

1. **Experiential learning practices:** Institute has entered into 17 different MOUs with the academic institutions, industries and societal organizations. Department of skill development conducted an activity of maintaining the portfolio of students for their all-round development along with their engaged activities which helps them for getting employment. Departments organized Industrial Visits, Excursion Tours, Research Lab Visits, Library Visit and Field Visits. B.VoC. Beauty Therapy and Fashion Designing organized window display activity to enhance the presentation skills of students.

2. **Participatory Learning:** Students are encouraged to participate in activities where they can use their specialized technical or management skills. Projects activity conducted at Undergraduate

and Postgraduate level. Institute is offering skill-based certificate courses in vocational category to inculcate additional skills in students. Students are motivated to take online training courses of their related subjects. Activities like Seminars, Assignments and Discussion sessions were conducted to enhance participation of students. Activities like play, day celebration etc were organized to enhance collaborative learning.

3. Problem-solving methods: Under the "Research Promotion Scheme for Budding Researcher" students under the guidance of teachers conducted small research projects to address problems in related subjects. In current academic year 49 projects were completed by 18 departments. Numerical Skill Test conducted by Dept. of Mathematics to enhance awareness of competitive examinations and to do the daily chore skillfully.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Institute has a robust, transparent and well-structured mechanism of Continuous Internal Evaluation (CIE) as per the guidelines of affiliating university. Student's subject and practical knowledge assessed through the CIE.

Institute formed an Examination Committee. The schedule of the internal examination communicated by examination committee. Time tables for the internal examination were prepared and shared with students well in advance on notice boards and their respective WhatsApp groups. Internal examination includes Theory and Practical examinations of 40 Marks. Every semester two internal tests, each of 20 marks were conducted for the subject. Teachers asked to prepare the question papers for internal examinations.

One 40 Marks internal examination is conducted for practical subject. Students are asked to perform the assigned experiment. After evaluation the performance of students were displayed on the notice board. Guidance is provided to poor performing students. Revision sessions conducted for preparation. Re-Internal exams were scheduled for the students who had genuine problems during the internal schedule. After both internal exams the final evaluation sheet prepared and marks were submitted on the university portal through college login by the respective subject teacher. Final reports were downloaded and printed.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time- bound and efficient

The entire internal examination procedure is carried out under the guidelines provided by K.B.C. North Maharashtra University, Jalgaon. The college has examination committee. The internal examination is conducted under the guidelines given by the examination committee. The entire procedure for internal assessment is transparent, robust and time bound. Mark list of each internal test has been displayed on the notice board by each teacher, for student's information.

Departmental Level: If any student has the grievance related to assessment or any other issue related to examination, it has been immediately resolved in front of the student by the concern

subject teacher and Head of the Department.

Examination Committee Level: If the concern department is not able to solve the grievances related to internal examination, then the grievance is resolved under the guidance of examination committee. All the process to resolve the related grievances is kept transparent.

2.6 - Student Performance and Learning Outcomes

2.6.1 - Programme and course outcomes for all Programmes offered by the institution are stated and displayed on website and communicated to teachers and students.

Teachers and students are aware of the course and programmes outcomes offered by the institution. The curricula are designed by the concerned Boards of Studies of the university. Aims, objectives, and learning outcomes of some courses are defined by the Board of Studies. Outcomes of certificate courses were defined by the concerned department. Teachers actively participate in syllabus framing and reframing workshops which focused on the enhancement of syllabus with the understanding of course learning outcomes. The subject teacher communicates the programme and course outcomes to the students during the first lectures and student induction program. The programme outcomes are achieved through a curriculum that includes mandatory and elective courses. The learning outcomes may differ from course to course, but in general, they are to impart sound theoretical knowledge of the subject and to apply that knowledge in real-world situations. It fosters the ability to do effective self-work, learn with curiosity, and apply science skills. At the college level, desired learning outcomes are instilled in students through effective teaching and learning using modern technologies and curriculum activities. Students gain basic knowledge and skills through practical and fieldwork. The outcomes are displayed on notice boards. File records are maintained in the departments and the Library, and it is also uploaded on the Institutional Website. There are well defined COs for all add-on courses.

2.6.2 - Attainment of Programme outcomes and course outcomes are evaluated by the institution.

- Assessment of course outcomes is a systematic process of collecting, analyzing information about a course from various sources, and measuring course outcomes, in order to improve student learning.
- Evaluation of the course outcomes is carried out using multiple assessment methodologies. It is carried out regularly during routine teaching, and periodically through continuous internal assessment and finally through evaluating the University results.
- The Head of each department conducts faculty meetings to discuss the results and students' feedback.
- College authorities engage meetings with the HOD to discuss results analysis and student feedback.
- Parent teacher meetings are organized to discuss the performance of the students and measures to be taken.
- Teachers in the Mentor-Mentee scheme meet with students to discuss the results and potential improvements.
- Remedial coaching services are available to help students improve their performance.
- Term end meetings are also held to discuss the performance of the student and staff.
- IQAC monitors Teaching Learning methods.

3.2 - Innovation Ecosystem

3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge

The institution has built a strong ecosystem to foster innovation and research among students and staff. The Internal Quality Assurance Cell and College Development Committee hold regular meetings to review and enhance teaching-learning activities.

The institution has secured research grants from various funding agencies. Two patents have been granted and published under the credit of faculty members. Additionally, the institution hosted a National Conference on Recent Trends in Commerce, Management, Economics, and Information Technology. To promote student engagement in research and innovation, the college activity like Research Promotion Scheme for Budding Researchers was strengthened. The Common Research and Instrumentation Centre equipped with advanced tools supports research activities of faculty and student.

Seminars, intercollegiate competition-Knowatech, Window display etc activities were conducted to enhance student's presentation skills. Additionally, the Career Katta guided the students for competitive examinations study. The Bridge Course activity conducted by the departments is useful to identify advanced and slow learners. Faculty members also incorporate ICT tools into their teaching and departments offer skill-oriented add-on courses.

The institution is going to opt Autonomy from next academic year in order to make curricula more community relevant, outcome based, skill oriented and is also going to implement new education policy NEP-2020 which aims to make education more inclusive, equitable, and holistic.

Overall aforesaid various activities enhance the efforts, facilitating knowledge transfer across the institution.

3.4 - Extension Activities

3.4.1 - Extension activities are carried out in the neighborhood community, sensitizing students to social issues, for their holistic development, and impact thereof during the year

The institution places a strong emphasis on sensitizing students to social issues, promoting their holistic development through various extension activities. The NCC, NSS units, Extension Activity Committee and other departments organized these activities

Commemorative Days were observed, including the birth anniversaries of Mahatma Gandhi, Chhatrapati Shivaji Maharaj, Rajmata Jijau, Dr. B.R. Ambedkar, Sadar Patel, Dr. A.P.J. Abdul Kalam and Savitribai Phule. Death anniversaries of Dr. Babasaheb Ambedkar, Mahatma Gandhi, and Bhainabai Chaudhari were also marked. The institution also observed International Women's Day, Human Rights Day, Teacher's Day, NSS Day, International AIDS Day, Indigenous Day, Constitution Day, and Namvistar-Vardhapan Din.

Environmental awareness initiatives such as tree plantation, plastic-free environment campaign, No Vehicle Day were organised. Health awareness programs such as Doctor's lecture, hemoglobin checkup, blood donation camp, a workshop on health and hygiene were organized. Societal issues were addressed through program on voter awareness, AIDS awareness, Nirmalya sankalan etc. The programs like Know the patriots and Vibhajan Vibhishika Din were organized in the memory of Indian freedom fighters. The activities like Chandrayan-3: grand salute to ISRO, visit to old age home, vyasan mukti abhiyan, and an online quiz about National Education Policy 2020 has been also organized.

INFRASTRUCTURE AND LEARNING RESOURCES	
4.1 - Physical Facilities	
4.1.1 - The Institution has adequate infrastructure and physical facilities for teaching- learning. viz., classrooms, laboratories, computing equipment etc.	
<p>The College is located on the 2.5-acre campus in central part of the city with state-of-the-art facilities and it has been constantly upgrading for the smooth conduction of all the</p>	

programmes. College has maintained clean premises and continuously improving and upgrading physical infrastructure. The College endeavored for enhancement of ICT infrastructure in order to facilitate effective virtual teaching and learning environment. There are 54 Classrooms/Seminar Halls for smooth conduction of academic activities. Out of which, 32 Classrooms/Seminar Halls have ICT facilities. The college has 335 computers/laptops, 3 Servers, 44 printers, 8 scanners, 34 LCD projectors and 7 Wi-Fi points with high speed internet connections installed at various places in the campus. All the Laboratories are well-furnished and equipped with updated instruments for the science and skill courses. Along with this, college has separate Laboratories for Language, Psychology and Music. Laboratories with modern facilities are also available in the Fashion Design and Beauty Therapy. Each Department has departmental library and ICT facilities such as Computers with internet connections, Printers, Scanner, LCD Projectors and Interactive Boards. The Common Research and Instrumentation Centre have been established to conduct Research Projects and Sample Analysis of scientific experiments. Two mega power generators are also available and some of the laboratories have UPS backup facility. 28KVA On Grid Solar Power Plant is installed. The college has Library with two reading rooms, enriched with 43,484 books, 83 journals/magazines along with free e-books and INFLIBNET facility. Soundproof Audio-video recording studios are equipped with recording instrument for e-content creation and development.

4.1.2 - The Institution has adequate facilities for cultural activities, sports, games (indoor, outdoor), gymnasium, yoga centre etc.

The College has spacious, air-conditioned, well-furnished Conference Hall covering the area of 891sq ft which is equipped with modern audio-visual aids, an LCD Projector, Computer and all necessary accessories. The Hall utilized for Special/Guest Lectures, Seminars, Conferences and various competitions such as elocution, singing, poetry reading, and one-act plays etc. Additionally, College has "Saraswati" Multipurpose Hall covering 4000sq ft area. The halls utilized for events like Handicraft and Science Exhibition, Public Lectures of distinguished

personalities, Fresher's Party, Dance Competitions, Rangoli and Mehendi Competitions. Centre Space inside the Administration building is available for Celebrations of Commemorative Events. Music and Drama Departments have collection of musical instruments to facilitate cultural activities.

The College has adequate infrastructure for sports consisting gymnasiums of 2800sq ft area. The department has DPE's office covering an area of 196sq ft, Table Tennis (308sq ft) Chess and Carom Hall (300sq ft), Basketball Court (420sq ft) and a volleyball ground. Free of cost Gymnasium facility is made available for Students and it also accessible to others on a paid basis. Furthermore, Sport court is developed for the practice of outdoor games. Moreover, activities such as Judo, Wrestling, Taekwondo, Fencing and indoor games are organized in the "Saraswati" Hall. Additionally, college utilizes Chattrapati Shivaji Maharaj Krida Sankul, which consists of 400mt. running track, field ground for Hockey, Football, Baseball, Softball and Cricket games on hiring basis. College has Integrated Fitness Centre dedicated to Yoga and Zumba activities.

4.2 - Library as a Learning Resource

4.2.1 - Library is automated using Integrated Library Management System (ILMS)

ILMS software: SOUL 3.0 (An integrated library management software developed by the INFLIBNET Centre.) Since May 2023 the college has purchased this software for library. Nature of automation (fully or partially): Partially Version: SOUL 3.0, Year of Automation: 2011. College possesses a well stocked Central Knowledge Resource Centre (Library), housing a vast collection of 43,484 books and 83 journals/magazines and spanning across an area of 499.75 Sq.Mt., Library comprises various sections including the Librarian's Office, Library Counter, Passage, Stacking Room, and two Reading Rooms for UG and (PG) students. For convenience of the staff, separate reading spaces with tables are available near the cupboards for each subject. Furthermore, library has a dedicated section for periodicals. To ensure smooth functioning of the library according to Policy, Library Advisory Committee has been established. e-books and e-journals facility is provided with the help of N-LIST programme. Previous examination question papers are made available physically and on student's smart phones using QR Codes. UGC Network Centre (DLRAC) of the college where students and staff can access digitized versions of library resources. Staff members and PG students enjoy unrestricted access to the library, further enriching their academic pursuits.

4.3 - IT Infrastructure		
4.3.1 - Institution frequently updates its IT facilities including Wi-Fi		

The College consistently incorporates the advanced ICT equipments, software tools, and updates its ICT resources. To guarantee efficient execution of Teaching & Learning activities and streamline administrative work, computers equipped with the latest configurations and software has been regularly upgraded. In the current academic year, 05 Intel i5 computer and 01 laptop and server have been added, accompanied by required software. Two Cyberom firewall system empowers the seamless High Speed Internet connection of up to 100 individuals simultaneously via Wi-Fi access points. The College has been regularly updating ICT resources for online Teaching-Learning. College is using the ZOOM, Google Meet platforms for routine online meetings. Every department and Offices namely Principal, Vice-Principal, Administrative & Account office have laptops, computers & ICT accessories. Internet via Wi-Fi connectivity is made available to the staff and students to access e-resources. Access to e-books & e-journals is provided to the students and faculty members by the college library through membership to INFLIBNET-NLIST. Students and staff members can watch MHRD, UGC, IGNOU, NPTEL and on-line lectures of IITPAL, NIOS, QEEE etc. channels under Swayam Prabha through Free DTH service installed in the e-Learning room. The college frequently organizes activities for the staff, focusing on enhancing their skills in ICT tools.

4.4.2 - There are established systems and procedures for maintaining and utilizing physical, academic and support facilities - laboratory, library, sports complex, computers, classrooms etc.

The College has established system and procedure for effective utilization and maintenance of physical, academic and support facilities. The Authorities discuss proposed budgetary provisions for infrastructure maintenance and approve funds accordingly. The academic facilities are optimally utilized for regular classes and practical. The responsibility for utilizing the available academic facilities appropriately rests with the time table committee. Computers and other ICT tools in the college office and library are used for smooth administration, record keeping and for transfer of knowledge. Facility of Library access is maintained by Library Attendants under the guidance of Librarian. The Cultural Halls utilized to organize various cultural activities, competitions, workshops, seminars, conferences, are maintained by college administration. The sport facilities encompass a playground, indoor game-equipments and a gymnasium which are utilized for regular practice sessions and the organization of

sports competitions maintained by Director of Sports along with attendant. The Hostel and Canteen provides accommodation, mess and breakfast facilities respectively. The college administration and Lewa Educational Union is responsible for utilization and maintenance of these facilities. The college administration is taking the responsibility for the maintenance of academic and physical facilities with the help of Staff and Lab Attendants. A Technician is appointed by Institution for the maintenance of computer software/hardware problems and ICT infrastructure. Electric fittings, Power generators and Solar Panels are regularly checked and the maintenance service is hired as per requirement. The services like college campus/tank/washroom cleaning, maintenance of water filters, photocopy facilities, fire extinguisher, lift etc. are outsourced.

5.4 - Alumni Engagement

5.4.1 - There is a registered Alumni Association that contributes significantly to the development of the institution through financial and/or other support services

Alumni association is registered under the Mumbai Public Trust Act 1950 on 9th July, 2019 (F-0020157 (JAL)).

Alumni association has sponsored scholarship of Rs. 2000/- each to 18 students. Alumni Association and the Department of Zoology have developed seedlings of Hapus mango, Jackfruit and distribute them among alumni for plantation. About 25 alumni planted the seedlings in various areas of Jalgaon district.

Alumni association contributed non-financially through the arrangement of alumni lectures for present students: Neha Anant Chaudhari on 'Global Warming', Mrs. Sweety Nimbalkar on 'AC Fundamentals', Miss. Shweta S. Ingle on 'Aspects of Chemistry, Future and Opportunities', Ms. Shirin Tadavi on 'Diverse career opportunities available to English majors', Miss. Rashi Patil on 'Career opportunities after B.Sc. Physics', Ms. Archana Patil on 'Concept of Microeconomics', Ms Anjali Lokre on 'Opportunities for Zoologists in Food and Nutrition Sector', Mrs. Kavita Namdev Sonawane on 'Physiological and Psychological nature of stress and Practical techniques', Smt. Vidya Sonar on 'Women specific legislations'. Department of Computer Science, Zoology, Chemistry, Psychology organized departmental alumni meets. Alumni Association's Executive Committee Meet and College Alumni meet were also organized.

GOVERNANCE, LEADERSHIP AND MANAGEMENT

6.1 - Institutional Vision and Leadership

6.1.1 - The governance of the institution is reflective of and in tune with the vision and mission of the institution

- The vision of the institution is to work for women's social and economic empowerment through education and skill development and to emancipate them from the shackles of age - old societal bondages by making them independent and self-esteemed to meet the Glocal challenges.
- The Mission of the institution is to aim at an overall educative experience for women than just academic pursuits.

The vision and mission statements of the college are in tune with the National Policy on Higher Education. The college is governed by Lewa Educational Union Jalgaon. The leadership (Top management and Principal) in collaboration with College Development Committee(CDC) and IQAC make sure that the policy statement and the action plans are aligned with the stated mission of the institution. The leadership is also involved in communicating and reviewing the policies/action plans from time to time through meetings with various stakeholders periodically. The faculty meetings are held regularly. The administration follows a democratic and open-door policy of leadership. Any stake holder grievances and constructive suggestions are positively considered. A periodic need-based analysis is carried out with the help of key administrative and academic authorities. To achieve goals in vision and mission college provides multiple facilities and conducts various activities.

File Description	Documents
Paste link for additional information	Nil
Upload any additional information	View File

6.1.2 - The effective leadership is visible in various institutional practices such as decentralization and participative management.

The institution emphasizes decentralization and participative management by forming various committees under the Principal's leadership for effective governance.

Hostel Committee 2023-24

Hostel Committee 2023-24 is one such committee which manages all

aspects of hostel life, including health and hygiene, accommodation, safety, mess facilities, and the overall study environment.

The Hostel Committee comprises:

- Chairperson: Principal
- Members:
 1. Senior College Faculty Members
 2. Junior College Faculty Members
 3. Rector
 4. Non-Teaching Office Staff
 5. LEU Office Staff

The Rector serves as the in-charge, supervising hostel operations and representing it administratively. Policies framed by the committee ensure discipline and safety. Regular meetings of committee address student concerns. It also organizes cultural programs like Hartalika and Ganesh Poojan etc. fostering a supportive and vibrant Hostel environment. Medical Check Up of students is done every year.

6.2 - Strategy Development and Deployment

6.2.1 - The institutional Strategic/ perspective plan is effectively deployed

One of our Strategic/Perspective plan for 2023-24 - To Strengthen Activities under Mentor-Mentee Scheme.

Deployment of Strategic/Perspective plan-

The college implements a structured Mentor-Mentee Scheme to support the holistic progress of students. In the beginning of each academic year, mentors are assigned a specific group of students. Through regular meetings, mentors address educational, financial, or personal challenges faced by mentees. For new entrants Student Induction Programme is organized to familiarize them with rules, and regulations, Campus facilities, activities and different committees

Additionally, the scheme promotes overall student development through various initiatives, including

1. Lectures on various topics like Indian culture and tradition, communication skills, mental health, cyber security, and career counselling, Act against Ragging and sexual Harassment, personality development, Online and Offline library facilities in the college and Ayurveda.
2. Workshops on Goal Setting and time management,
3. Screening of motivational movie.

6.2.2 - The functioning of the institutional bodies is effective and efficient as visible from policies, administrative setup, appointment and service rules, procedures, etc.

Description of Organogram:

The Executive Council of Leva Educational Union functions as the chief governing body for the Institution. CDC and IQAC are mainly responsible for overall academic, administrative and infrastructural development of the institution and work under the Executive Council. The Principal is responsible for the overall administration of the Institution and looks after day-to-day management of the Institution. The Principal reports directly to the Executive Council. The Vice-Principal(s) assist the Principal in academic as well as administrative matters and are in-charge of the Institution in the absence of the Principal. In office administration, the Registrar functions as the head of the non-teaching staff. Registrar is assisted by the Office Superintendent (OS) and the clerical staff. The OS and clerical staff are assisted by the office attendant and support staff. HODs are assisted by the faculty members, the non-teaching and support staff of the respective departments. For interdisciplinary and autonomous courses, Coordinator(s) are assisted by the faculty members, non-teaching and support staff. Librarian functions as the head of the Library. Assistant Librarian, clerical staff, attendants and support staff.

6.3 - Faculty Empowerment Strategies

6.3.1 - The institution has effective welfare measures for teaching and non- teaching staff

Welfare schemes available to the teaching and non-teaching staff are:

- The management whole-heartedly supports various welfare measures taken up by the college such as Lewa Educational Union's Employees' Co-operative Credit Society Limited, Raising of Staff Welfare Fund such as Benevolent Fund. This fund is utilized for giving help to employees regarding their health issues. Credit Co-operative Society is established to provide loan facilities to employees, during their financial need.
- The facility of auto deduction of life insurance premiums

and other installments at source of income is provided to the staff members so as to enable them to easily manage their financial transactions.

- Festival Advance is given to the Non-teaching staff.
- On the recommendation of Principal, Loan facility is made available to teaching and non- teaching staff from Jalgaon Dist. State Government Employee's Co-op Society Ltd.
- On the recommendation of Principal, Loans are provided to college teaching and non- teaching staff from Lewa Educational Union's Employees' Co-operative Credit Society Limited.
- Staff Academy and Welfare Committee is established for the welfare of the staff, which organizes various programs for welfare of the staff.
- An Orientation training program was conducted for a newly appointed teaching staff, whereas ThreeFaculty Development Programs were organized for regular Teaching Faculty.
- Various programs were organized for non-teaching staff.
- A very liberal and democratic policy has been strengthened to encourage the staff to improve themselves for discharging their duties more effectively.

6.3.5 - Institutions Performance Appraisal System for teaching and non- teaching staff

The mechanisms for performance assessment of individual faculty are-

- PBAS (Performance Based Appraisal System) introduced by UGC: PBAS is mandatory to all permanent teaching faculties. The PBAS forms for CAS (Career Advancement Scheme) of each individual teacher are verified by the IQAC of the college and endorsed by the principal. The PBAS record of the teacher is considered for promotion under CAS.
- Self-Appraisal Reports and CR Reports of Teachers: Self-Appraisal and CR forms filled up and Submitted by the faculty are reviewed and endorsed by the concerned H.O.D and the Principal. The documents is considered at the time of placement of faculty in higher pay scale.
- CR (Confidential Reports) for non-teaching : Confidential report on performance highlighting the skills, credentials and over all behavior of the non- teaching employee prepared by the head of the Dept. and submitted to the Principal annually. Evaluation of the performance of non- teaching staff is done by the Registrar, Head of the concerned Dept. and the Principal on the basis of daily work sheets and CR.
- Feedback from students: Performance of the faculty is also assessed through students' feedback. Every year feedback on teachers' performance is obtained from students with the help of a questionnaire.

6.4 - Financial Management and Resource Mobilization

6.4.1 - Institution conducts internal and external financial audits regularly Enumerate the various internal and external financial audits carried out during the year with the mechanism for settling audit objections within a maximum of 200 words

Response: Institution conducts internal and external financial audits regularly

The college has a mechanism for internal and external audit: -

Internal Audit: - M/S. KGP & Associates is appointed by the

management as internal auditor to audit the accounts. Audited financial statements and audit report are obtained at the end of every year. They are discussed and approved in the Annual General Meeting. Internal audits are conducted twice annually. Steps are taken by the college to rectify the discrepancies reported in the audit report. There is efficient internal audit mechanism in the college.

External Audit: - External Audit is done by various bodies such as-

1.Accountant General Audit: - is conducted once in five years, last audit was done between 20/12/2011 to 23/12/2011.

2.Joint Director's Audit: -takes place every year, if objections are raised, justification is provided.

3.ST Scholarship Audit: - it is done by EkatmikAdiwasiVikas Project, Yawal, once in five years.

4.NSS Audit & Student Development Audit: - it is done every year by the University. Audit objections, if any, are fulfilled as per norms of the University.

5.Accounts & Finance Audit: - is done by accounting officer of higher education department Jalgaon on 05/10/2023.

6.Alumni Audit: - it is done by the M/S. KGP & Associates

6.4.3 - Institutional strategies for mobilization of funds and the optimal utilization of resources

The Institution ensures optimal utilization of infrastructural and human resources through pragmatic resource mobilization policy. The resources are utilized primarily with the objective of achieving the academic and extra-curricular goals of the Institution.

- Fund Mobilization

Policy

1. As per the policy of Government of Maharashtra State admissible non-salary expenditure budget is prepared.
2. Redeemable fixed deposits from management, teaching and nonteaching staff with prior permission of management.

Procedure

1. Budget is prepared for fund Mobilization
2. It requires approval of CDC
3. Purchase committee takes the decision regarding purchases.
4. Redeemable fixed deposits from trustee and staff with prior permission of management.

- Optimal Utilization of Resources

A] Infrastructure

Policy

1. Proper planning and execution done for utilization of

infrastructure.

2. Maximum utilization of Infrastructure for academic purpose.

Procedure

1. Faculty wise members included in timetable committee for maximum

utilization of infrastructure.

2. Approval of Principal and Vice-principal for allotting use of infrastructure.

3. Advance registration for utilizing infrastructure.

B] Human Resources: -

Policy

To increase the performance of organization, gaining competitive advantages.

Procedure

1. Defining proper job description for HR selection.

2. Selecting right person on right job.

3. Induction training.

4. Performance Appraisal.

Human resources are optimally utilized in CDC, IQAC, Administration and Governance etc.

6.5 - Internal Quality Assurance System

6.5.1 - Internal Quality Assurance Cell (IQAC) has contributed significantly for institutionalizing the quality assurance strategies and processes

1. Mentor-Mentee Scheme -

Mentor-Mentee Scheme is a quality strategy aimed at fostering student progress and development. At the start of each academic year, scheme assigns specific students to each teacher, who act as their mentors. Regular mentor-mentee meetings address various student concerns, including educational and financial difficulties. For new students Student Induction Programme introduces rules, and regulations, various committees & campus facilities- Library, Playground, Canteen,. Additionally, lectures on diverse topics are organized to enhance learning and personal growth. This structured approach ensures consistent support and guidance for students throughout the year, promoting a conducive environment for their overall development.

2. Promotion of Students for Research Activities-

- 'Avishkar' -District Level competition 20 Projects were presented by 36 UG, PG and Ph.D. students. Out of these, two projects groups and one Ph.D. research student project was selected for University level 'Avishkar'.
- 7 Students participated in National Conference on Changing Paradigms in Chemical Sciences.
- 6 students participated in University Level Poster and Model Presentation Competition. First prize was won for model presentation.
- Many students participated in one day State Level Conference on Youth Psychology.
- 9 students presented paper in National Conference on Recent Trends in Commerce, Management, Economics and Information Technology.
- Research Papers presented by Research Scholars
- 2 students participated in National Conference in "Research in the Life Sciences with Special Emphasis on Medicinal Plants"
- 'Research Promotion Scheme for Budding Researchers', initiated by College for promotion of Research Culture among students.

6.5.2 - The institution reviews its teaching learning process, structures & methodologies of operations and learning outcomes at periodic intervals through IQAC set up as per norms and recorded the incremental improvement in various activities

1. Curriculum Design with respect to Autonomy-

The college is going to adopt autonomy from the academic year 2024-25, with Curriculum Design being a key focus. To facilitate this, the IQAC initiated the formation of 21 Boards of Studies (BoS) as per UGC guidelines (Notification No.12.5, dated April 13, 2023). The inaugural BoS meetings across departments were held from February 26 to March 9, 2024. Key resolutions included

- Drafting syllabus outlines,
- Detailed syllabi for FY-UG and FY-PG courses, and
- Curricula for certificate, diploma, and PG diploma courses. These resolutions, finalized in BoS meetings, were subsequently approved in the Academic Council meeting, ensuring a smooth transition to autonomy.

1. Implementation of ERP Software for Enhanced College Administration- The College utilizes ERP software developed by Khandesh College Education Society's Institute of Management & Research, Jalgaon, under a formal MoU. This integrated software system streamlines operations across key areas, including Admission, Learning Management, Academic Planning, Employee Management, and Event Management.

The ERP facilitates seamless communication, enabling efficient college administration. Its real-time data reporting and centralized information system support planning, controlling, and decision-making processes at all management levels. Additionally, the system generates critical reports, enhancing transparency and operational efficiency, ultimately contributing to improved institutional performance and governance.

7.3 - Institutional Distinctiveness

7.3.1 - Portray the performance of the Institution in one area distinctive to its priority and thrust within 200 words

Maharashtrachi Lokdhara (Maharashtra's Folk Art): Department of Marathi of the college in collaboration with Department of Lifelong Learning and Extension of KBC North Maharashtra University, Jalgaon organized a program entitled "Maharashtra's Folk Art" on the occasion of Marathi Language Pride Day. Through this event, authentic folk art forms of Maharashtra were presented to instill a linguistic renewal among students. The program showcased vibrant performances of folk art forms like Wahigayan, Powada, Bharud, Gondhal, and Lavani.

Wahigayan: The traditional folk art of Wahigayan, which holds a distinct identity in Khandesh, was presented. Jalgaon's Valmik Wahi Mandal performed Kanbai's Wahigayan, mesmerizing the students and introducing them to this folk art form.

Powada: Powerful renditions of the heroic Powada was performed by Shahirs Vinod Dhage and his colleagues.

Bharud: Mr. Vinod Dhage presented a humorous yet thought-provoking Bharud, highlighting the destructive effects of alcohol on families. This performance left the audience introspective.

Gondhal: Mr. Eknath Sonawane from Jalgaon and his colleagues performed Gondhal, explaining the tradition and significance of this art form, and presented a devotional chant to Lord Ganesha.

Lavani : Student Ms. Megha Bari introduced Lavani, another prominent folk art form of Maharashtra. Former student Komal Sonawane and her group delivered an energetic Lavani performance.
